

WEEKLY ECONOMIC INDICATORS

14 August 2026

Statistics Department
Central Bank of Sri Lanka

Highlights of the Week

Real Sector

In June 2026, tea and rubber production increased year-on-year, supported by improved weather conditions. However, both recorded year-on-year declines in the first half of 2026.

Index of Industrial Production (IIP) increased by 0.8 per cent in June 2026 to 99.2 compared to June 2025, mainly contributed by the increases reported in the manufacture of Food products (6.8 per cent) and Other non-metallic mineral products (7.2 per cent).

At the beginning of the period from 10 to 14 August 2026, crude oil prices increased as hopes for a US-Iran agreement faded. However, prices subsequently declined, mainly due to concerns over a weaker global demand outlook and a sharp build-up in US crude oil inventories. Overall, by the end of the period, Brent and WTI crude oil prices increased by US dollars 3.34 and US dollars 2.79 per barrel, respectively, compared to a week ago.

Monetary Sector

Weekly Average Weighted Prime Lending Rate (AWPR) for the week ending 14 August 2026 increased by 19 bps to 10.95 per cent compared to the previous week.

The Average Weighted Call Money Rate (AWCMR) decreased to 8.80 per cent on 14 August 2026 compared to 8.93 per cent at the end of last week.

The reserve money decreased compared to the previous week, mainly due to the decrease in deposits held by the commercial banks with the Central Bank.

The total outstanding market liquidity was a surplus of Rs. 290.69 bn by 14 August 2026, compared to a surplus of Rs. 246.81 bn by the end of last week.

By 14 August 2026, the All-Share Price Index (ASPI) increased by 1.18 per cent to 21,623.17 points and the S&P SL 20 Index increased by 1.30 per cent to 6,065.72 points, compared to the index values of last week.

Fiscal Sector

During the week, Treasury Bill yields marginally decreased in both the primary and secondary markets, while Treasury Bond yields also marginally decreased in the secondary market.

The rupee value of Treasury Bills and Treasury Bonds held by foreign investors increased by approximately 0.7 per cent in the reporting week compared to the previous week.

In the reporting week, the auction for Treasury Bills experienced an oversubscription rate of approximately 2.8 times.

The total volume of secondary market transactions in Treasury Bills and Treasury Bonds decreased by approximately 12.1 per cent in the reporting week compared to the week before.

External Sector

Year to date depreciation of Sri Lanka rupee against the US dollar was 7.1 per cent as of 14 August 2026.

Sources : Ministry of Finance, Planning and Economic Development
Central Bank of Sri Lanka

Note: With the establishment of the Public Debt Management Office (PDMO) under the Ministry of Finance, Planning and Economic Development (MOF), the responsibility for recording and publishing Sri Lanka's public debt now falls under the PDMO, as mandated by the provisions of the Public Debt Management Act, No. 33 of 2024. Accordingly, the Quarterly Statistical Debt Bulletin, published by the PDMO, will serve as the official source for debt statistics. The Central Bank compiles and presents Outstanding Central Government Debt table (Table No. 3.2) based on data received from the MOF to ensure data continuity, following the Government Finance Statistics Manual 2014 (GFS 2014)

Treasury Bills (Secondary Market Yield Curves)

Treasury Bonds (Secondary Market Yield Curves)

(a) Provisional

(b) As per the guidelines of compiling government debt statistics in the Manual of Government Finance Statistics published by the IMF in 2014, resident holdings of outstanding ISBs of the Sri Lankan Government have been classified under domestic debt. Further, debt statistics are presented on net basis (net of deposits)

(c) The outstanding central government debt excludes several debt service payments that became overdue after 12 April 2022, the date of which the Interim Policy regarding the servicing of Sri Lanka's external public debt was announced by the Ministry of Finance, Planning and Economic Development. These debt service payments comprise of certain overdue interest payments of affected debt which deemed to be capitalized as per the Interim Policy.

(d) Includes outstanding balance of the government guaranteed foreign currency debt of the Ceylon Petroleum Corporation that was absorbed into central government debt.

(e) From December 2022 onwards, several outstanding project loans which were previously classified under Ceylon Electricity Board, Airport and Aviation Services Ltd. and Sri Lanka Ports Authority were absorbed into central government debt.

(f) Foreign loan debt statistics are prepared based on the data sourced from the Commonwealth Secretariat Debt Recording and Management System (CS-DRMS) maintained by the Ministry of Finance, Planning and Economic Development. Further, IMF Relief Package received under the Rapid Financing Instrument (RFI) for *Cyclone Ditywah* is not included in the foreign debt stock.
